Time has been described as a devoted teacher, a dependable friend, a crafty liar, a gentle comforter, a flowing stream, an endless sandpile. But time is also a wondrous magician with unlimited tricks and powers. It cleverly employs the past, present, and future in performing its many remarkable miracles that have never ceased to amaze mankind.

As this year marks the 75th anniversary of Bakersfield High School, time has been particularly meaningful to us. We have had a chance to pause and to glance back into our school's past. In doing so, we have strengthened pride in our heritage and also viewed the progress we have achieved.

Somewhere within the concept of time is the present—perhaps the most difficult aspect of time to understand. How quickly the present comes and goes! Each grain of sand—just as it slips through the hourglass—represents the present momentarily. How fleetingly the future becomes the past, dwelling on the threshold of the present only an instant! The most promising facet of time is the unpredictable future. Seeing how much BHS has changed over the years should give us clues to what the future will bring. If we find it difficult to believe that teaching machines and field trips to the moon are possible, we should remember that students of the past probably had the same difficulty with the predictions of IBM machines and foreign language laboratories. Regardless of whatever happens, however, time marches on relentlessly. We should feel indebted to our fine school for helping to prepare us to meet with courage whatever time may bring.

Time is . . . "a river made up of the events which happen, . . . a violent stream, for as soon as a thing has been seen, it is carried away, and another comes in its place, and this will be carried away too."

—Marcus Aurelius, *Meditations*

Skirt lengths have shortened but the school day has not.

## *The Past*

BHS students of the past prepare for their future.

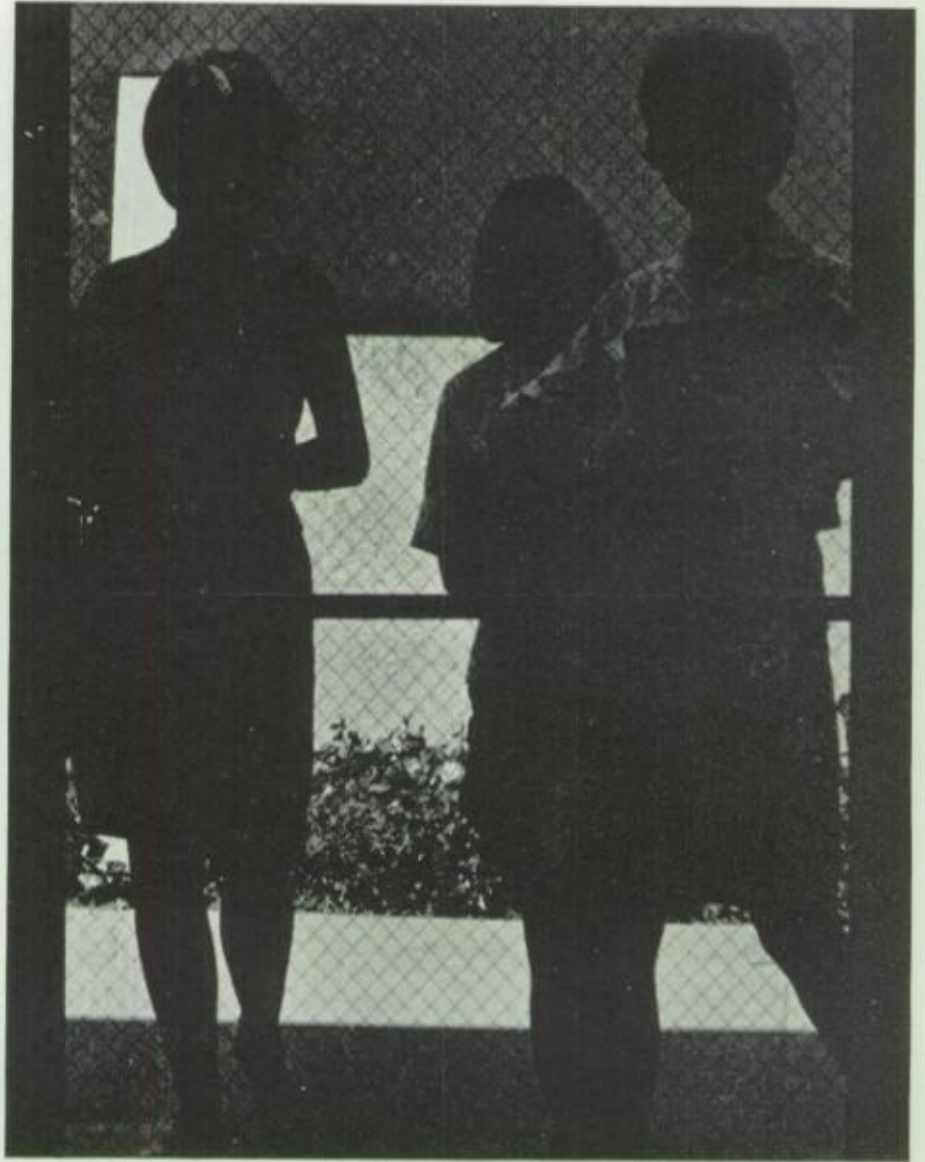

Once upon a time they studied chemistry . . .

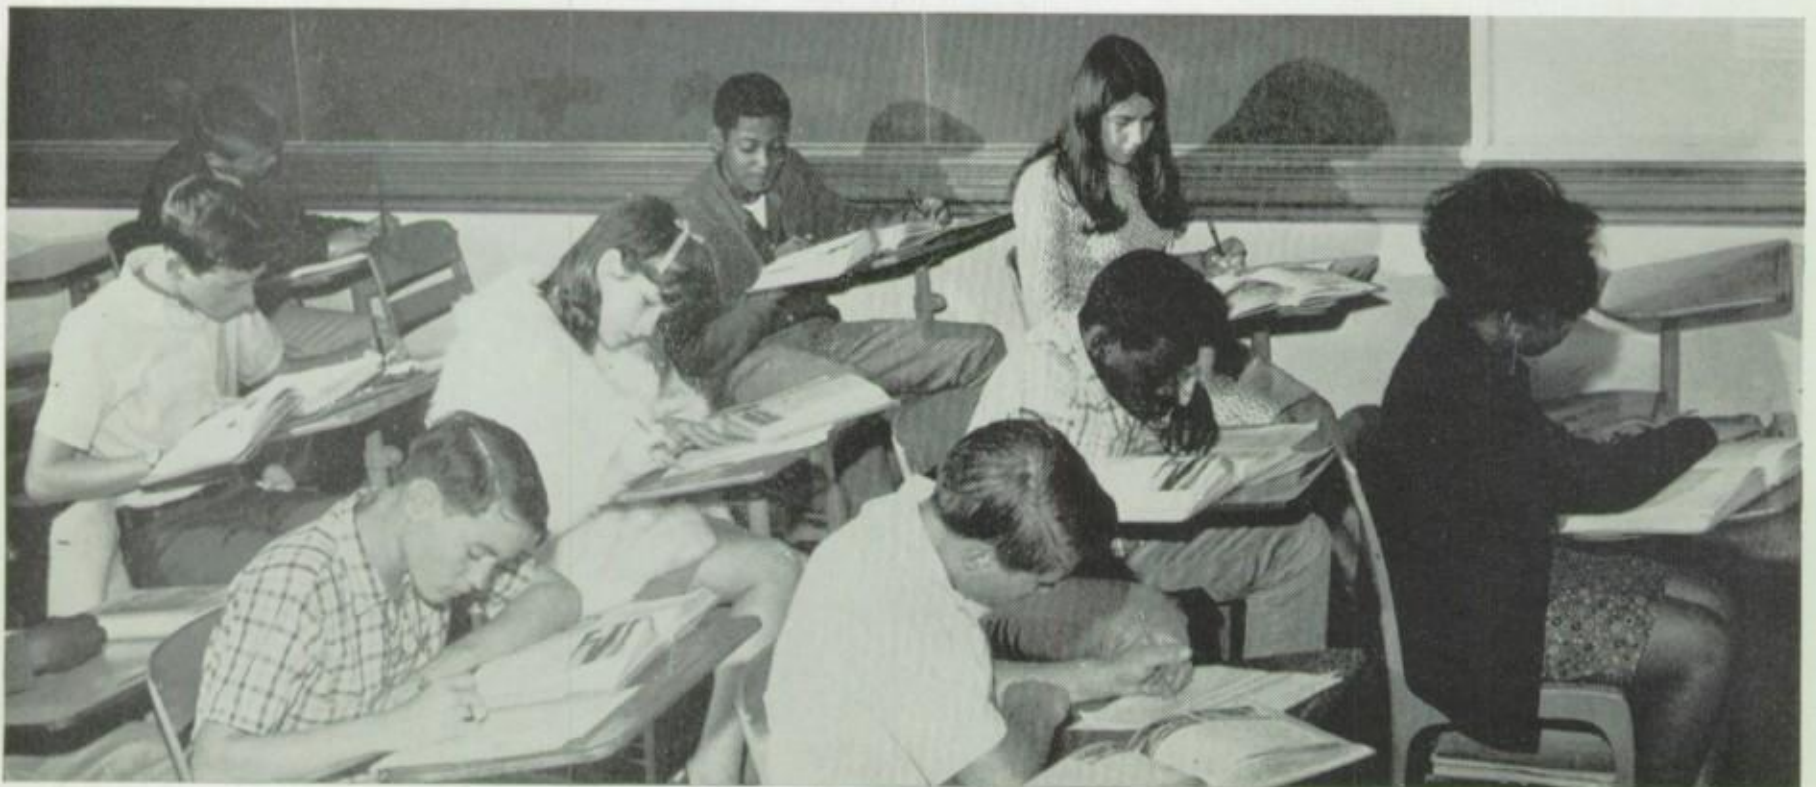

# *The Present*

Students relax during lunch hours at various spots on campus.

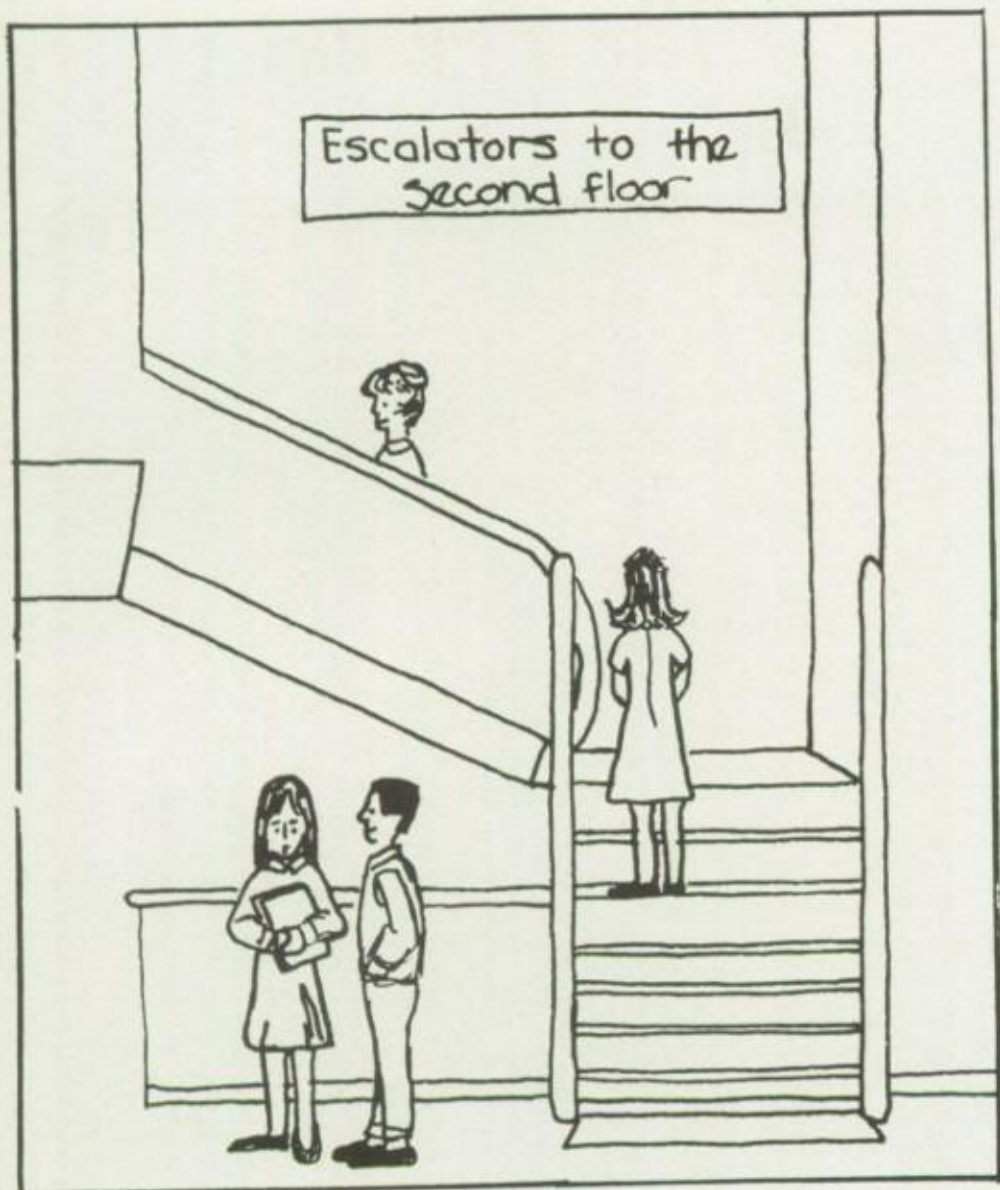

Changing classes becomes daily routine to all BHS students.

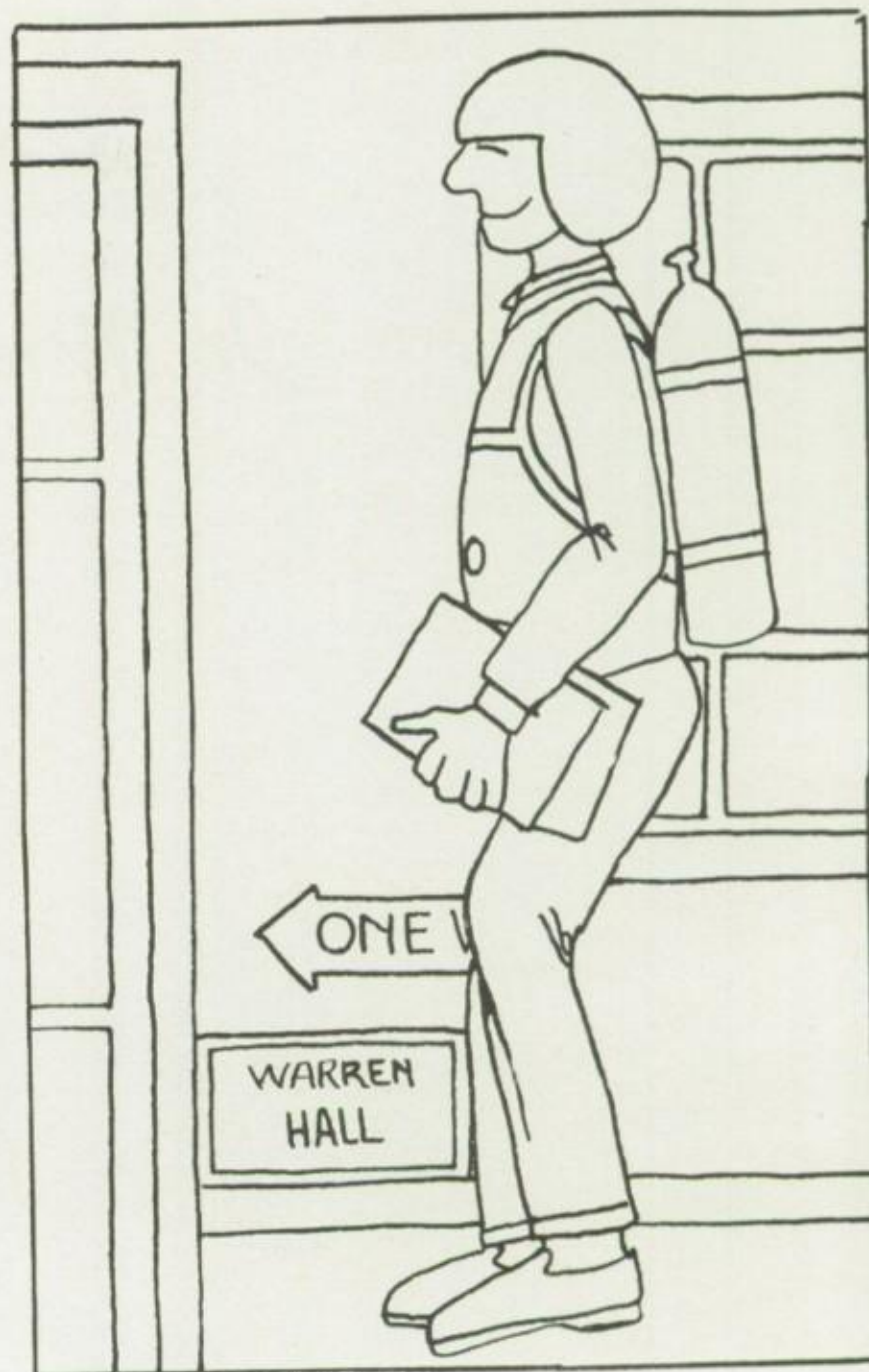

Students spend most of their time at BHS in classrooms.

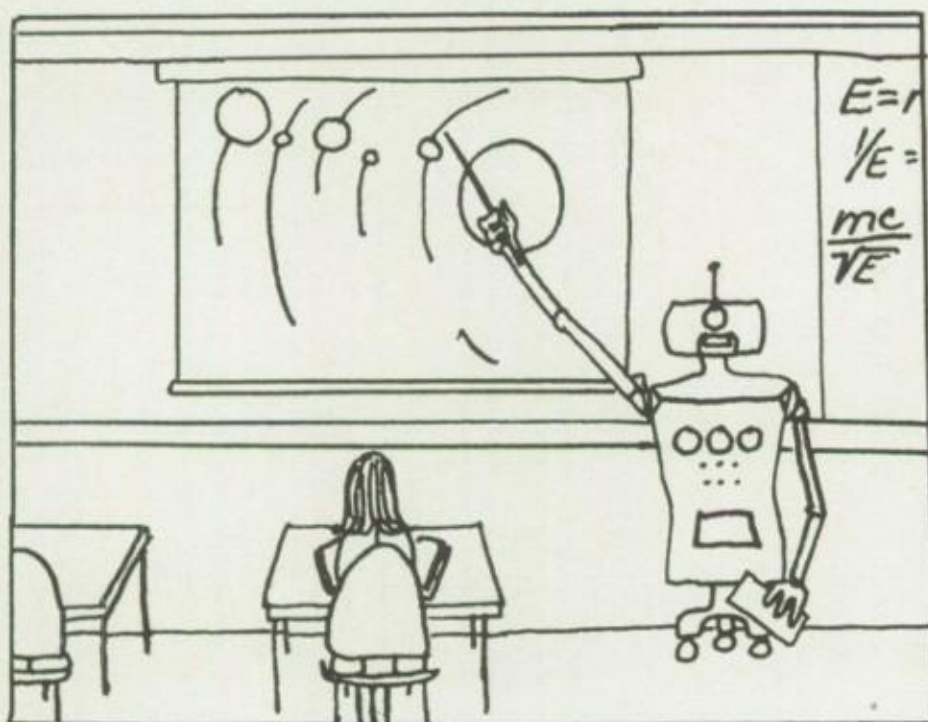

Someday students may stop joking about elevators as they ride the escalators in Warren Hall.

Flying to class—a sure-cure remedy for tired feet.

## The Future

Will your science teacher eventually be replaced by a machine?

Field trips to Mars may create adventure for future students.

*In Memoriam*

JANE MAYO

LAWANDA NUTT

Miss Eloise Nelson came to Bakersfield High School in 1931 to begin her first teaching position. Although she taught history and English, Latin was her speciality. She soon became very important to the entire school because of her sincere dedication and diligent endeavors.

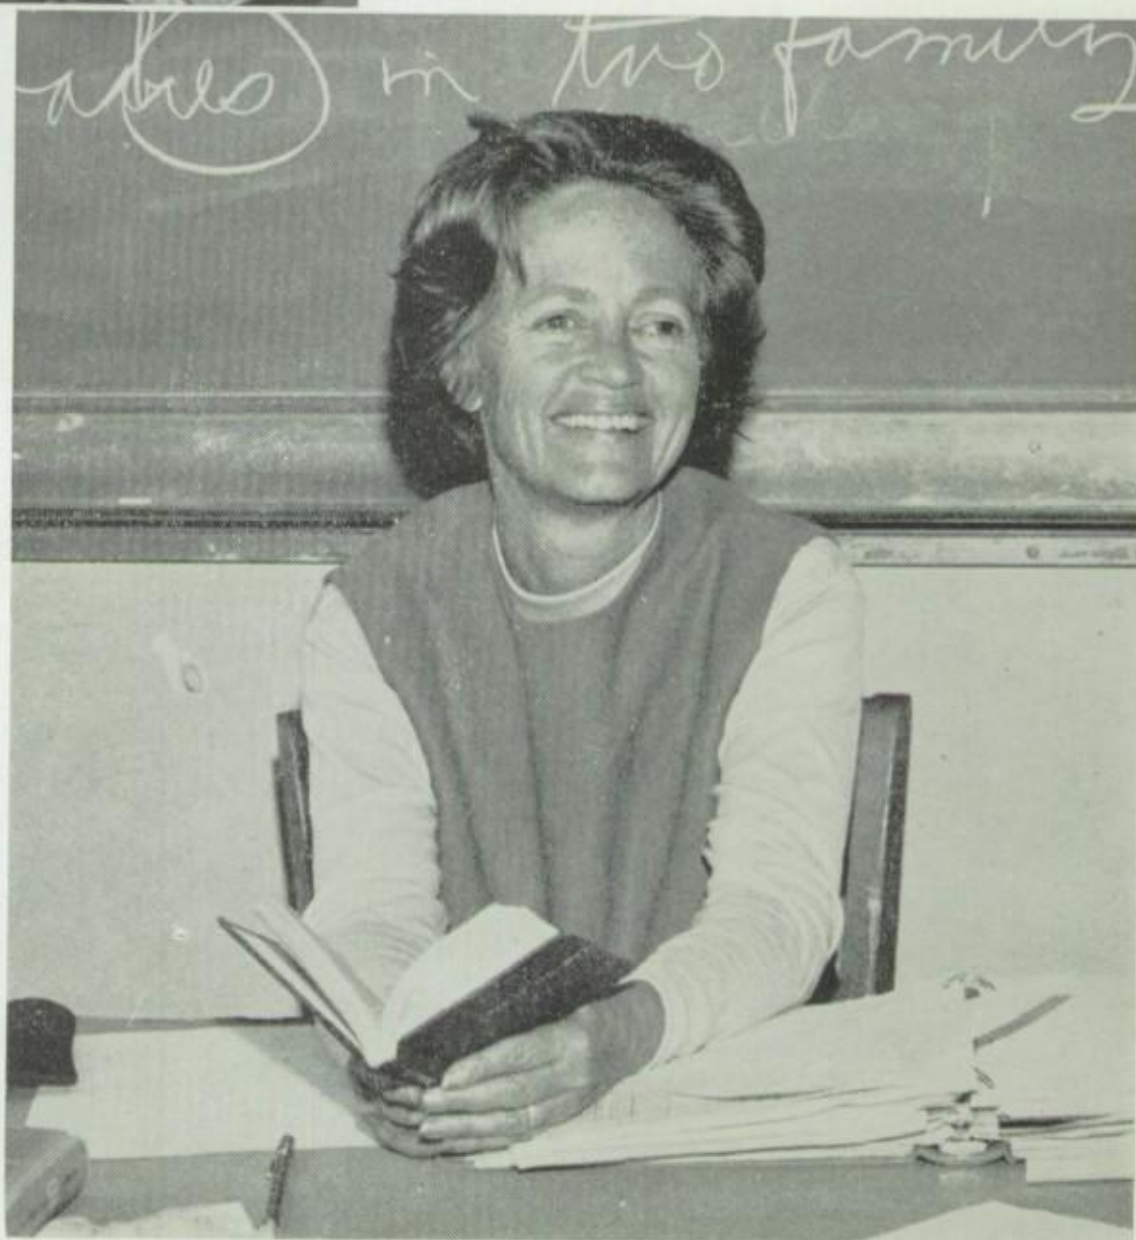

In 1941 she became a counselor and in 1955 she assumed the many weighty duties involved in being Dean of Women. These responsibilities involved leading the scholarship committee, choosing award winners and counseling seniors about tests and colleges. She served faithfully as Dean of Women through 1967.

Miss Nelson has also served Bakersfield High School in many other ways over the years. She advised the Girls League and also the Campus Affairs Commission. She was also vice-president of the State Association of Deans of Women. Her activities in the community have been many; she has served the YWCA committee, the YMCA Board, the local CTA, the Camp Fire Girls Board, AAUW, NEA, and the Children's Home Society.

On behalf of the students of Bakersfield High School, the 1967 **Oracle** is co-dedicated to Miss Eloise Nelson as an expression of appreciation for her dedicated work throughout her many years at Bakersfield High School.

Another person who has served Bakersfield High School greatly is Mrs. Barbara Robesky. She began advising the **Oracle** Staff in 1961 and served for five consecutive years. However, last year Mrs. Robesky announced that she was resigning as **Oracle** advisor. At the Executive Board Banquet, she expressed sincere affection for the **Oracle**, telling how exciting it was as each new yearbook came out in the spring and referring to them all as "babies."

We members of the **Oracle** Staff feel that producing the yearbook is indeed much like having a baby. It involves so much planning, hoping, and dreaming; each staff wants its new baby to be so perfect and wonderful. We also realize what great strain and responsibility is placed upon the advisor, and because of this we were understanding, although sorry to see Mrs. Robesky give up the position. However, we feel very close to her as we were originally her staff and think her loyal service should be recognized. So on behalf of the **Oracle** Staff, we would like to co-dedicate this book to Mrs. Barbara Robesky.

# Diamond Jubilee

On January 19, 1967, BHS students celebrated the 75th anniversary of Bakersfield High School. The festive occasion, appropriately named the BHS Birthday Party, included a fashion show, a narrated history of the school, music provided by the pep band, yells and songs from the spirit leaders, and birthday cakes and punch. The birthday party atmosphere was heightened by multi-colored balloons, crepe paper decorations, and birthday hats worn by the over 500 students and faculty who attended.

Floy Blair and Dale Barker recaptured the spirit of BHS past.

Birthday hats added color and gaiety to the festive celebration.

"Gimme some of that ole time spirit!"

## Story of the Victory Bell

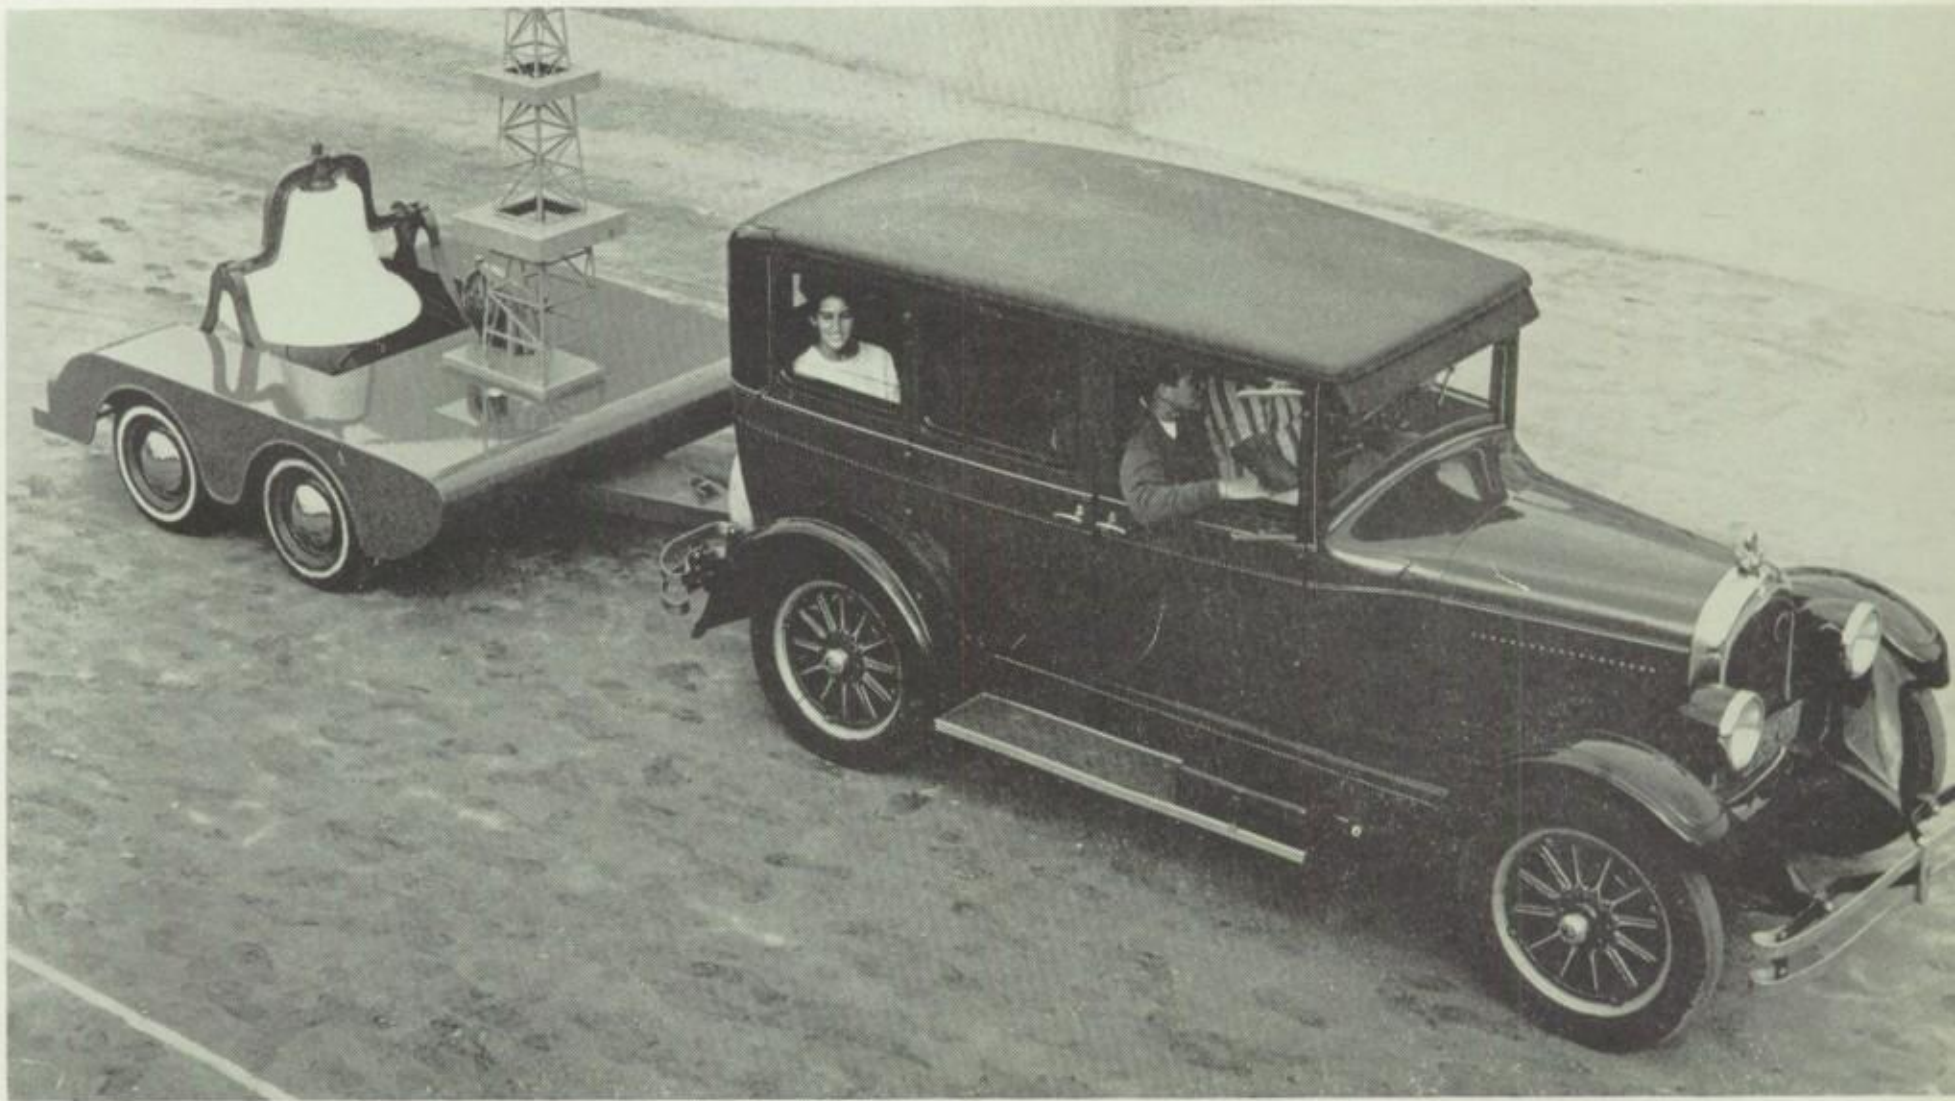

The Driller Victory Bell has been at BHS since our school began 75 years ago. In those days the bell was located atop a building in Elm Grove and was used to signal the beginning of each school day. In 1941, the Block B Society painted the bell blue and white and decided to use it as a Victory Bell at the Driller football games. A three-wheeled cart was originally used to pull the bell until a more adequate trailer was needed for the drive to the Driller football games at Memorial Stadium. A small derrick was placed on the trailer in 1959 to symbolize the Drillers.

The bell of victory has been rung many times throughout the history of BHS.

This building, once located in Elm Grove, housed the original victory bell.

Today's victory bell continues to symbolize the spirit and superiority of Drillers.

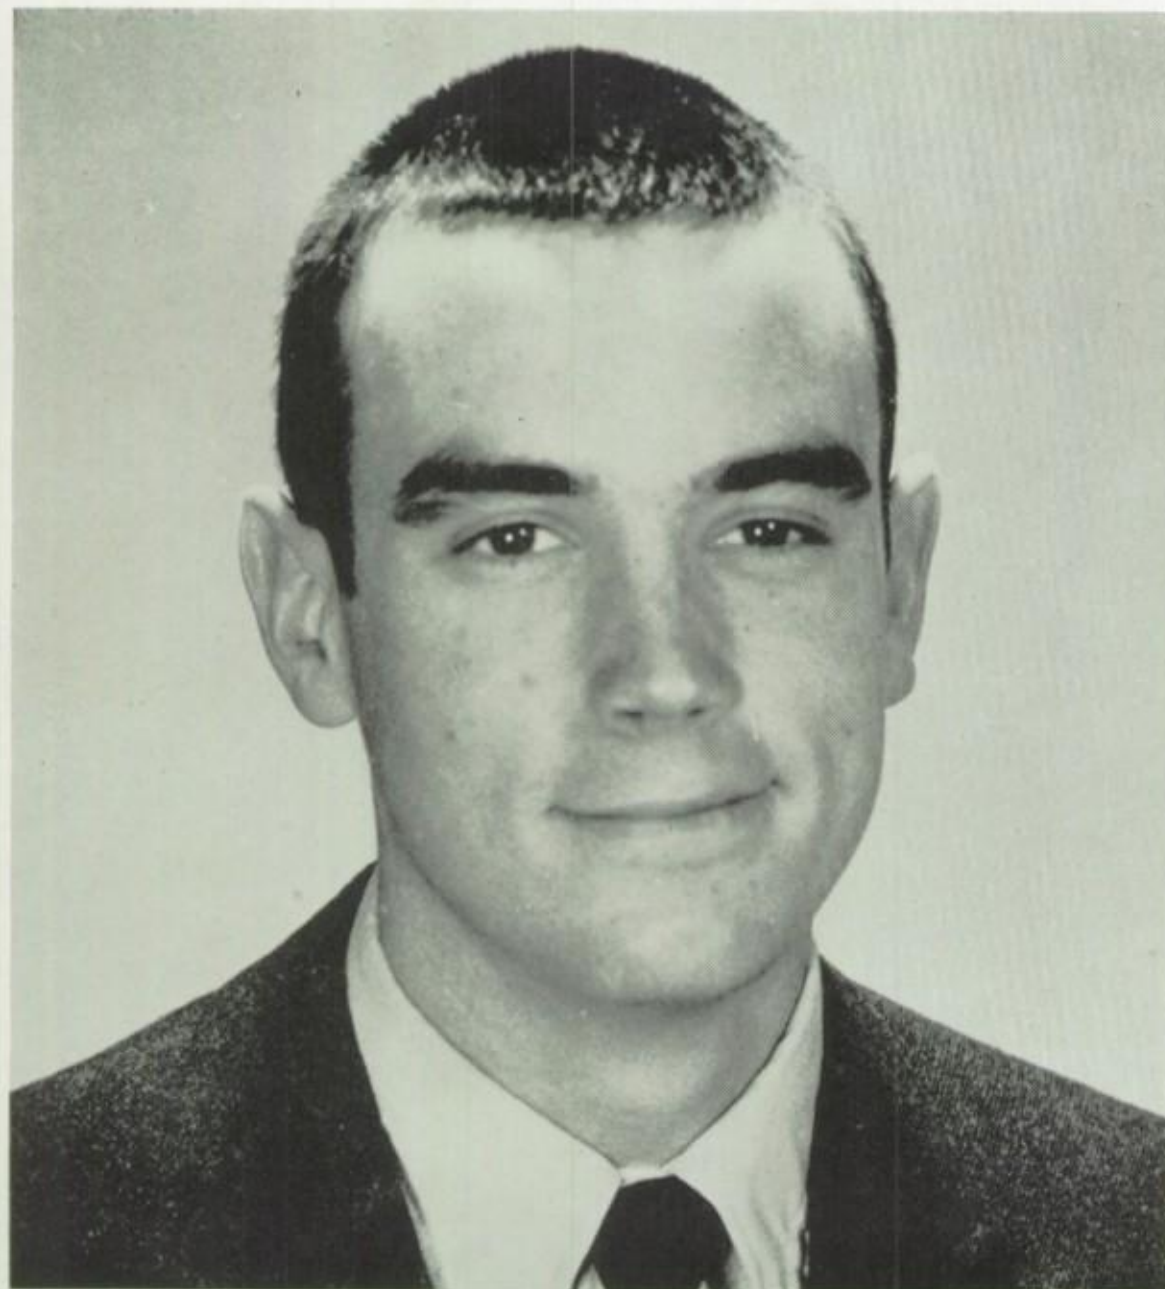

In 1959 a derrick was added to the trailer of the victory bell.

In 1966 the derrick on the victory bell trailer was modernized.

To the students of B.H.S.:

During the past year student government has fulfilled three purposes. The first of these, to provide extra curricular activities for our fellow students, was our strong point. We held more rallies this year than ever before. We put on a Founder's Day party. We began the series of programs called "B.H.S. Presents," the first of which was a folksing-soc hop.

We did not, I feel, fulfill our second purpose nearly so well. We were supposed to operate as a model government to give students practice in the republican system. The system was too far removed from the students, however, and about the only thing we did in this area was holding elections.

Our third purpose, the one I consider most important, was to stick up for the students' point of view in the operations of the school. Through student-administration meetings and outside organizations such as C.A.S.C., we pressed the issues that we considered important to you.

We who served as officers for 1966-67 would like to thank the students and advisors who helped us this year. Several times during the year the support of the students and the aid of advisors pulled us out of trouble. I, personally, am proud of the others you see on these pages; they have worked very hard for us all.

Sincerely,

Co-ordinating the activities of clubs at BHS was the **Organizations Commission's** main job. Members of the commission, headed by Pam Ming, included a representative from each club. The commission's biggest affair this year was the "Activity Day" in which all BHS students were introduced to the various clubs on campus, and invited to participate in the club activities.

"BHS Presents," the first folksing in BHS history, was sponsored by the **Cultural Activities Commission** during 1966-67. The commission included representatives from all BHS cultural clubs and attempted to interest students in the many cultural activities available at BHS. The annual Spring Cultural Activities Recognition Evening acknowledged this year's outstanding cultural contributions and achievements of BHS students.

An active and essential organization at Bakersfield High was the **Publicity Commission**. Its purpose entailed publicizing all BHS activities through various media, including the daily bulletin, the weekly activity release, the Blue and White, campus posters, and radio and television announcements. Membership in the organization was composed of three students selected by the Publicity Commissioner, Susan Jones, from each of the Freshman, Sophomore, Junior, and Senior Classes.

BACK ROW: P. Bell; C. Jelmini; E. Smiser.

Among the people responsible for the great spirit at BHS were the members of the **Spirit, Rallies and Assemblies Commission**. Planning the many rallies and assemblies throughout the year comprised the commission's major work. S.R.A. organized and presented the breakfast, noon and exchange rallies. Members were selected from each of the freshman, sophomore, junior and senior classes, based upon their vibrancy, enthusiasm and willingness to work.

Maintaining the safety and cleanliness of the BHS campus this year was the **Welfare and Safety Commission**. During "Beat EB Week" an all-out campus clean-up contest sparked an even greater drive to keep BHS clean. The twelve members of the commission were selected from each of the four classes. Martha McCuen, the Organizations Commissioner, said, "The commission has worked hard this year to promote campus pride at BHS. The students helped quite a bit, and we hope that the tradition of a clean campus will continue."

Maintaining the responsibilities, powers, duties, and jurisdiction for the proper execution, enforcement, and regulation of the election code was the **Elections Commission**. The commission was headed by the Student Body Vice-President, and other members of the commission included the four class representatives, and the Commissioner of Publicity. Freshmen elections, the Football Carnival Queen elections, the Miss BHS elections, and the general student body election were all administered by the Elections Commission. The commission also handled the registration of voters, the eligibility of prospective candidates, and the tabulation of votes.

FRONT ROW: S. Chan, M. Van Horn, C. Ramirez.  
SECOND ROW: S. Jones, D. Stiles.

'Eager, competent, and enthusiastic' were the words used by Student Body Treasurer, Fred Misono, to describe his fellow members of the **Finance Commission**. Their activities for the year included preparing the study body budget, setting up the student body card sales, and distributing the allotments from concessions. The Finance Commission worked hard to keep Bakersfield High finances in good shape with the help of student body financial advisor, Mr. Al Dennis.

Nasim and Thuy made many friends at BHS during their year here.

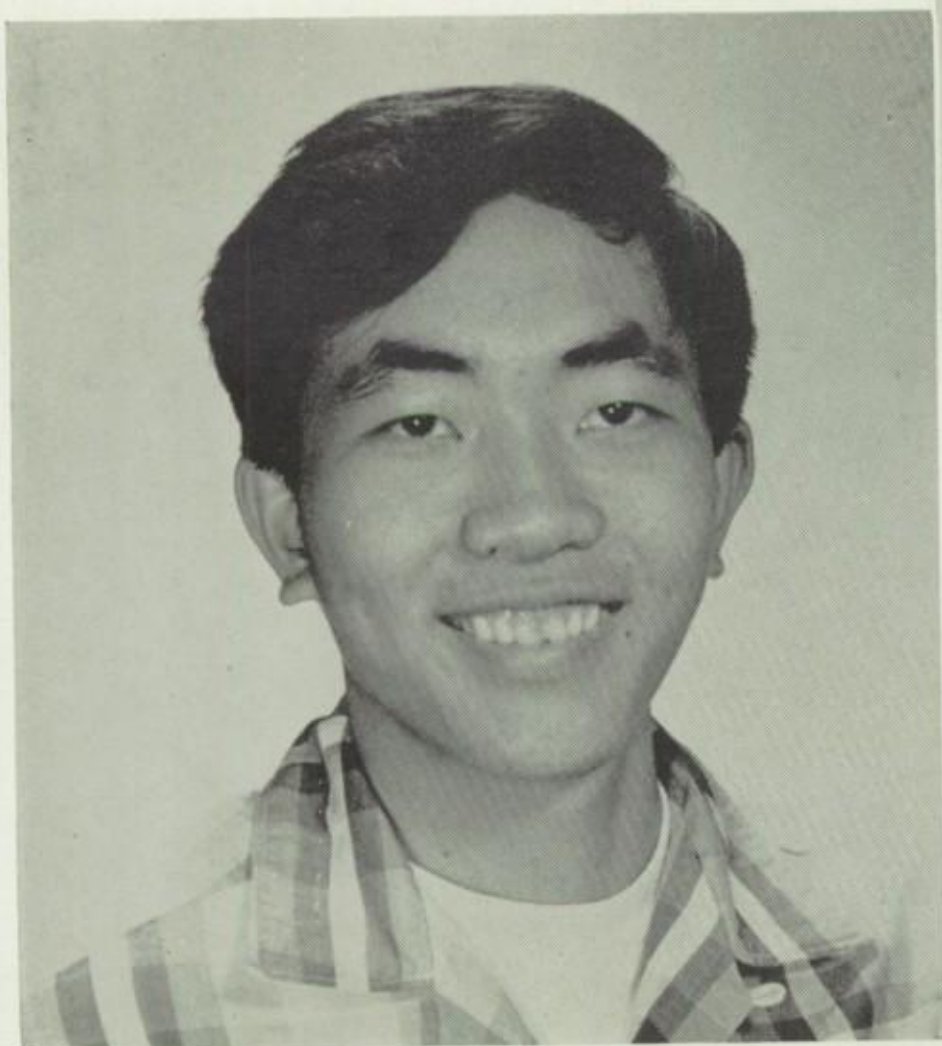

Aiding foreign exchange students in their adjustment to school life at BHS was the **Foreign Exchange Student Commission**. This newly formed organization consisted of members selected because of their interest in international relations, scholarship, and citizenship. Commission activities for the year consisted of entertaining foreign exchange students from other areas for one week and sponsoring AFS Week in November.

Blue and White staff members interviewed a foreign exchange student from Turkey who visited BHS for a week.

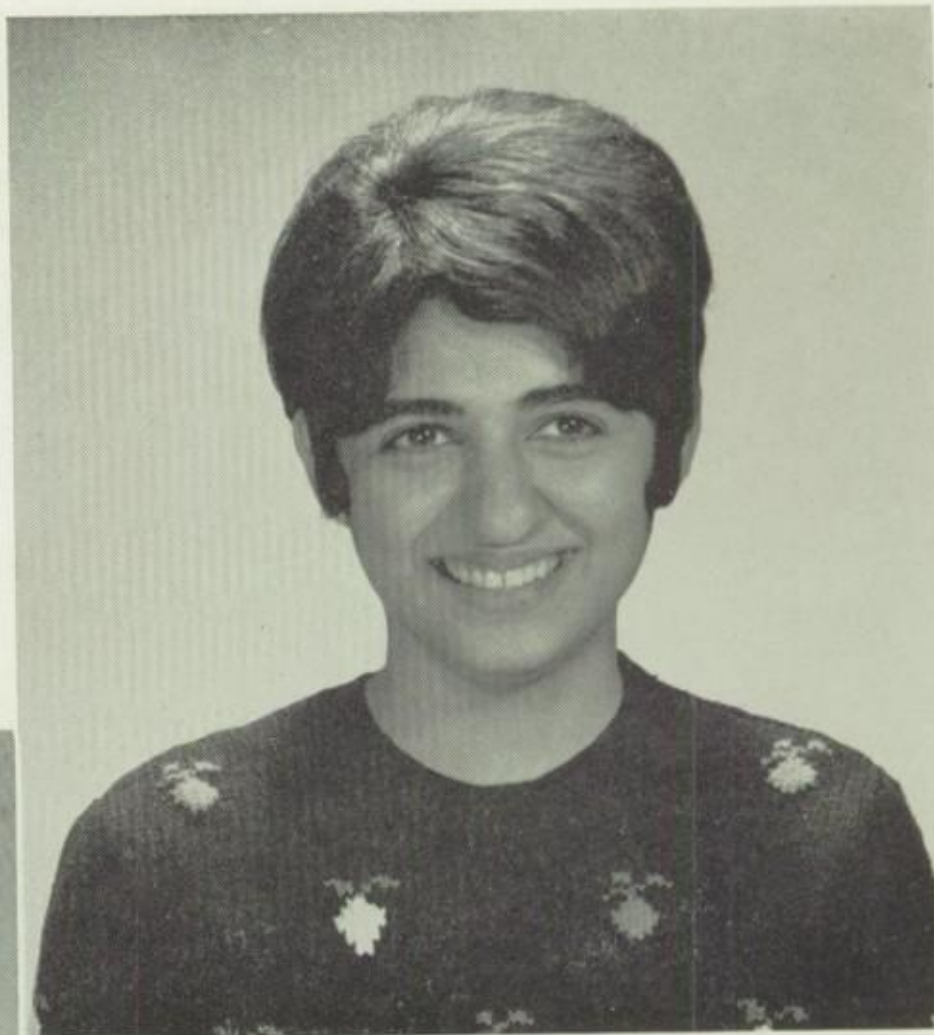

# Foreign Exchange Students

Nguyen Minh Thuy

While attending classes during 1966-67 at BHS, Nguyen Minh Thuy, foreign exchange student from Saigon, South Vietnam, was most impressed with his chemistry class and the quality of its instructional materials. Being introduced to American society through his experiences in Bakersfield, Thuy learned to become an avid television fan—like most BHS students.

Nasim Golzar

To Nasim Golzar, school life at BHS was far less restrictive than that of her home, Tehran, Iran. She especially liked her classes in typing, German, and physical education. Nasim said that she liked many things about the United States and going to BHS, including wearing jewelry and lipstick.

## *Spirit Leaders*

The varsity spirit leaders brought bubbling enthusiasm and lively new song and yell routines to BHS during 1966-67. The many football rallies, both after school and breakfast types, featured hilarious skits performed by the spirit leaders, who also organized the first gym rally in BHS history. Throughout the year the song and yell leaders demonstrated their ability to arouse the spirit of all Driller rooters.

# Reigning Queens

Four lovely girls during 1966-67 reigned as queens over the BHS campus. In September Kathy Grainger was selected as the Football Carnival Queen by BHS students, and at the PTA-sponsored Football Carnival Kathy was presented with a dozen red roses by the Driller Football team. The officers of the Block B Society chose six girls to vie for the title of Block B Queen, and the club members elected their choice, Lori Brock. In a similar way Stevie Actis became Circle B Queen, chosen by the club membership. The Block B Queen and the Circle B Queen were crowned at a special dance co-sponsored by the two groups. At the spring semi-formal dance six senior girls, selected by Executive Board, competed for the title of Miss Typical Coed. Those students who attended the dance voted for the one girl who best represented the ideal BHS coed, and Charmen Weidenbach was the choice as Miss Typical Coed of 1967.

## *Santa's Workshop*

On the evening of December 17, the student body was transported to the land of ice and snow, toys and sugarplums at "Santa's Workshop," as the Inter-Racial Council presented their annual Christmas Formal. Working elves and a roving Santa Claus complemented the atmosphere created by the decorated Christmas tree and gayly wrapped presents. Couples danced to the music of Whitney Thomas and His Fabulous Nothings.

## Typical Coed

The naming of the most typical coed at BHS highlighted the spring semi-formal dance "On the Terrace," co-sponsored by Executive Board and NFL. Six senior girls selected by the sponsors of the dance vied for the title of Miss Typical Coed; the contestants included Sara Chan, Donna Fariss, Nancy Griffin, Martha McCuen, Theresa Parsons, and Charmen Weidenbach. Students who attended the affair chose the girl who best represented the ideal senior coed at BHS.

## Plays

1966-67 was highlighted by several plays performed by dramatically inclined BHS students. "Miss Pell Is Missing," the Senior Class Play, initiated the theatrical year in October. The highly successful senior play was followed by the student body play and the student body musical during the spring. "Suds in Your Eye," presented in March, provided drama students with a showcase for their acting abilities. A combination of many talented BHS students was evident in the musical production of "The Sound of Music," performed in April. Throughout the year, drama classes presented plays to correspond with English department courses; these plays ranged in style from classical Greek drama to the Theater of the Absurd.

## Seniors

Starting the year with the annual sale of senior calendars, the **Senior Class** took part in many money-making and service projects throughout 1966-1967. After the Antelope Valley High football game, in September, the senior class sponsored "The Deer Smear." The sale of senior buttons with the slogan, "Class of '67—The Ultimate," kept seniors peddling for several days. Various noon sales were sponsored by the class, and during February a bottle drive was used for the purpose of boosting the supply of funds. During Easter, the class sent cookies to soldiers fighting in Vietnam. The seniors' year culminated with the Senior Banquet in April and Commencement on June 9, 1967. Graduation was followed by the traditional Whing-Ding, held at Civic Auditorium.

# Juniors

John Martin  
President

A door-to-door clothing drive beginning in July started the year's activities for the **Junior Class**. After one month of work, clothing, books, and toys were sent to a school for orphans in Da-Nang, South Vietnam. At home games throughout the football season, the Class of '68 led the Driller rooters in card stunts. Following the North High game, the juniors sponsored the dance, "The Star-Spattered Bangle." Several noon sales during 1966-1967 were a part of the class' many money-making projects. Many patients at Kern General Hospital received handmade tray favors from the Junior Class Council at Easter. The highlight of the year's activities was the Junior-Senior Prom, which was sponsored and planned entirely by the junior class.

# Sophomores

Dan Cole  
President

The traditional magazine sale started the year for the **Sophomore Class**. The class boasted a profit of over \$1,000 on this project. Noon sales held throughout the year also helped the treasury. For Halloween the class sponsored a dance which was highlighted by the appearance of the "Great Pumpkin." The council held a birthday party, complete with gifts and good wishes, for an invalid classmate, Jane Mayo, in her room at Kern General Hospital. The Class of '69 took part in several school-sponsored activities, including Spirit Week, the FFA Christmas Food Drive, Patriotic Week, and the Clean Campus Drive. A booth, "The Psychedelic Affair," run by the class and appearing at the Spring Carnival, ended the sophomore's active year.

# Freshmen

Kathy Coombs  
President

The school seal in front of the Administration Building was kept immaculate by the **Freshmen Class**. As was traditional, freshmen history classes took turns cleaning the seal every Saturday. The class council sponsored two noon sales, one in the fall and another in the spring, as well as holding a post-football game dance—all fund raising events for class activities. At Christmas time freshmen went carolling at various places around Bakersfield, spreading holiday cheer to the people at Kern General Hospital, Mercy Hospital, and Moss Gardens Convalescent Home. Sending clothing to the needy people of the Appalachian Mountain region was an important service project for the freshmen council. Through these numerous activities 1966-67 was a memorable "first year" for freshmen.

Emma Brown  
Vice President

Ramona Ansalabehere  
Secretary

Susan McCarthy  
Treasurer

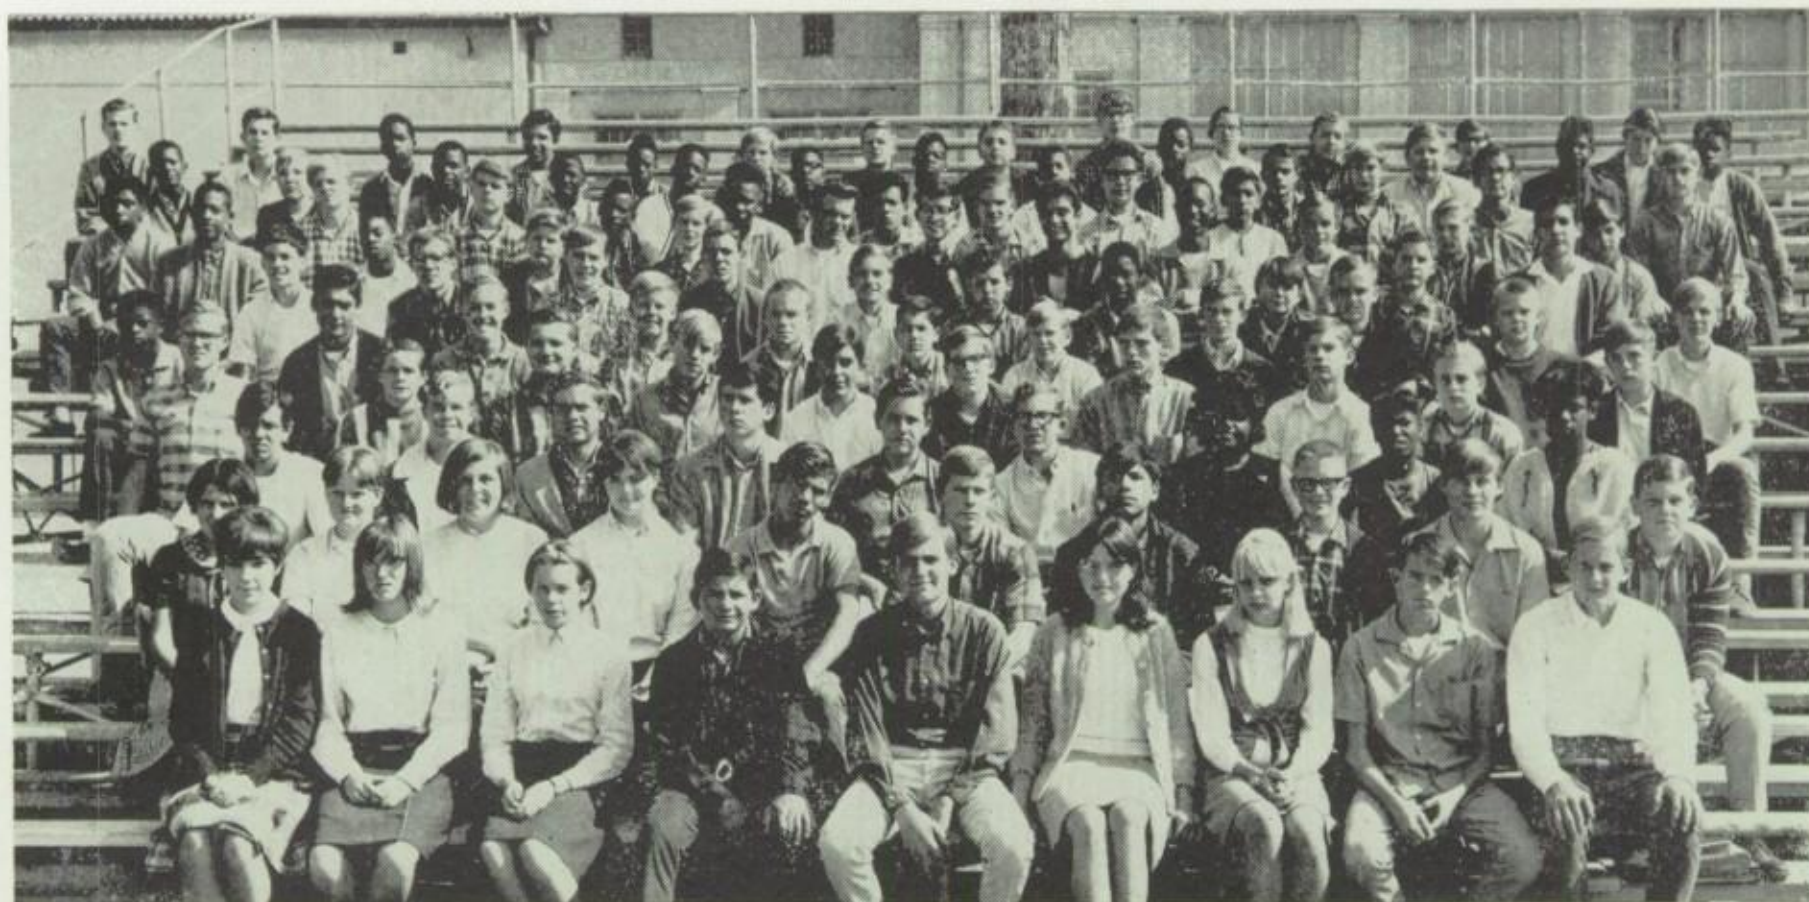

Daryl Martin  
Freshman Representative

## Oracle Staff

In 1904 the **Oracle** first appeared as a yearbook as well as a monthly magazine. It had no editor, instead the senior class was given charge with an advisory committee assisting. This year's staff was taught the fundamentals of producing a written and pictorial history of the year's activities. The 1967 Oracle staff had a new advisor, Mr. Paul Meyers.

Kern County High School (BHS) added an amendment to the Student Body Constitution on April 29, 1941, adopting the Blue and White as the school's official weekly newspaper. Before 1941 the Blue and White was a school newspaper published as a private student venture and void of official student body recognition. The Blue and White has won Quill and Scroll awards for superior newspaper production in 1938, 1939, and 1946.

Communication of news and interest features among the students, faculty and administration was the work of BHS journalism students on the **Blue and White** staff. It was a busy year for the Blue and White; the staff wrote two half pages for the **Bakersfield Californian**, sponsored the Miss BHS Tea and the Rival Romp and sent copies of the **Blue and White** to BHS graduates in Viet Nam.

## Ikon

Writing, editing, and publishing the literary magazine *Ikon* were students carefully chosen from English classes. Essays, short stories, and poetry submitted by students were screened by the *Ikon* staff and the best ones were included in the magazine. *Ikon* had a new advisor this year, Mr. Edward Dellon.

## Quill and Scroll

The 1966-67 annual sale of books collected from students, teachers, and friends was the main event of *Quill and Scroll*, an honor society for students who have excelled in journalism. Another activity for the journalism students was attending a publications convention at Fresno State College in March; this workshop activity helped to stimulate new ideas for our BHS publications.

## Biology Club

Students interested in the world in which they live comprised the membership of the **Biology Club**. This 10-year-old organization introduced science-oriented BHS students to topics of interest in the study of life through lectures, films, and reports. In addition, members of the Biology Club worked in arranging biological exhibits for display in the Science Building showcases.

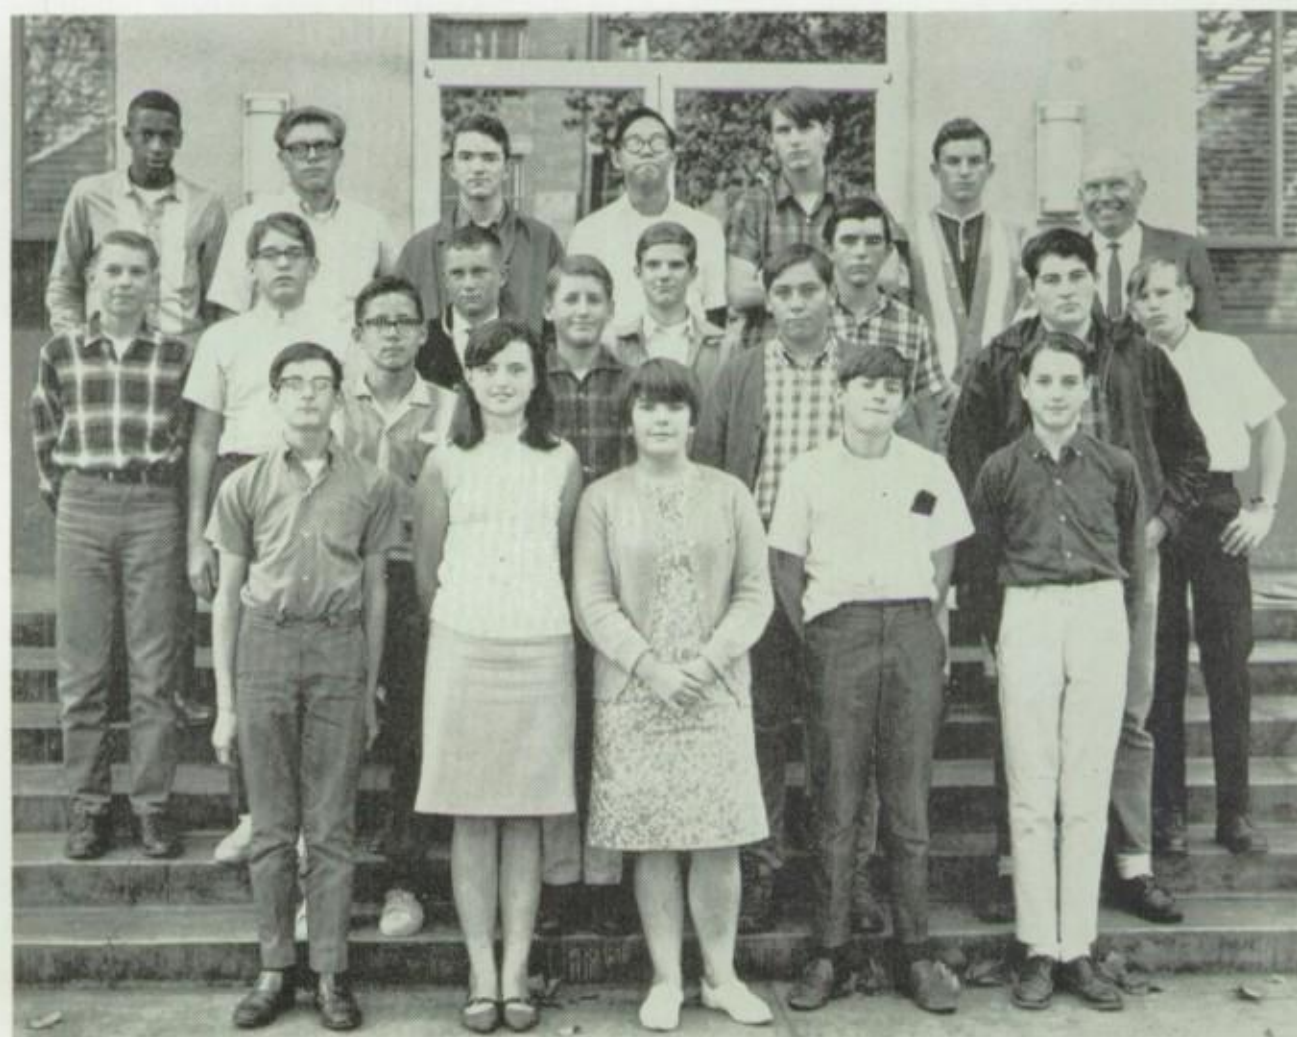

## Opus 1

Christmas caroling at Mercy Hospital was one of the community services performed by members of **Opus 1**. The club consisted of students who were interested in music and wanted to share this interest with other BHS students. They met weekly to have informal record sessions.

## FHA

Girls interested in activities related to the home took part in the many activities of the **Future Homemakers of America**. In November, FHA teamed up with the Future Farmers of America to present the Foothill Fumble, their annual dance. A cookbook sale, a fashion show, and a mother-daughter tea kept the members busy. FHA continued its tradition of working with community groups, sponsoring noon sales, and serving at school banquets.

## NFL

Students interested in interscholastic competitive speaking and debate signed up for the class of forensics and became members of the **National Forensic League** by accumulating a minimum of 25 points through participation in speech tournaments. The original NFL chapter at BHS was founded in 1929, beginning with nine charter members. In the 1966-67 year members debated the topical question of whether or not the United States should continue its program of military assistance. Club members spoke in 15 speech tournaments throughout the year, traveling to Fresno, Claremont, and Santa Barbara, as well as local high schools.

## Band

The Driller Band was a consistently superior group at musical festivals throughout California in concert, marching, and spirit. The band, founded in 1921, had 110 members this year. Participating in the Kern County Centennial Parade, as well as other parades, concerts, and Driller football games were important band functions in 1966-67.

Prudhomme, R. Klawitter, head manager.

The 1966 Driller football team, finishing with a 6-2-1 season, was one of the poorest squads Coach Paul Briggs has ever coached. 1966 was the worst season in four years for the **Drillers** while opponents were only average teams. BHS was nosed out for the championship by North High.

The Drillers had some excellent individual players, like Bob Simmons, Willie Hysaw and Jeff Siemon who were named to the all-city team; Bob Simmons was also named to the all-California high school team.

Offensively the BHS varsity gained 2,524 yards while allowing 2,138 yards defensively. All told the Drillers scored 171 points while their opponents mustered 94 points. Over-all this was the worst offensive performance by a Driller team coached by Mr. Briggs.

The two most gratifying games of 1966 were the Driller victories over South High and East High. In the South High game, the BHS varsity came from behind for an exciting 19-14 win. Against East High, BHS traditional rival, the Drillers continued their win streak with a hard fought 29-14 victory.

## Sandabs

The Sandabs went through the 1966 season with a highly-respectable 7 win-2 loss record. Coached by Nick Graham, Bob Embry, and Mike Meek, the B Class team prepared many players for future Driller greatness.

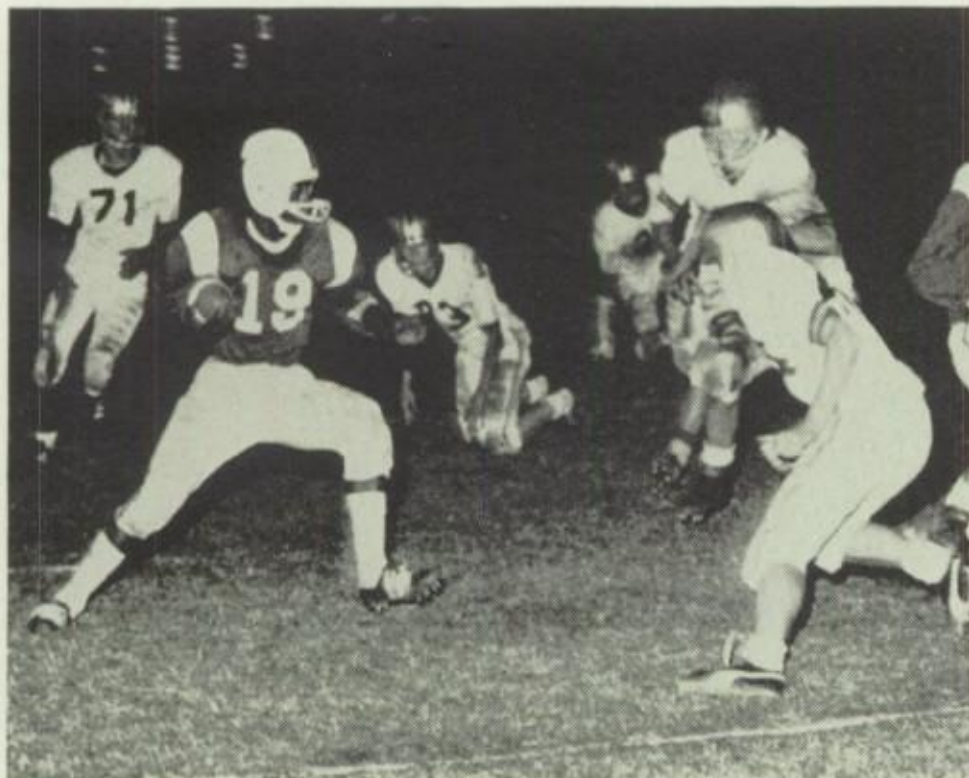

Opening the season with identical 19 to 6 victories over Kennedy High and McLane High, the Dabs started the year impressively. Following these victories the offensive unit crushed Antelope Valley High, 64 to 12. Next the Dabs overcame a strong West High team, 14 to 6. The B footballers then came to the lowest point in their season, losing successively to North High, 13 to 0, and South High, 14 to 6. In their following game the Dabs came back to defeat Roosevelt High, 26 to 6. The highlight of the season was the Sandab's 19 to 6 victory over previously unbeaten East High. Closing the year, the B class team won a hard-fought 6 to 0 contest over Foothill High.

Captains for the 1966-67 Sandabs were Bill Beauchamp, Thurman Beasley, and Lewis Diaz. The team members voted and chose the Most Valuable Player, fullback-linebacker Lewis Diaz.

## Bits

Bob Slaughter, top scorer for the undefeated Bits, breaks loose for a big gain.

Coached by Mr. Vincent Sakowski and Mr. Walter Burrows, the **Bits** achieved a successful and gratifying year in gridiron heroics.

Starting the season with consecutive victories over South High and North High, the sturdy Bit defense held their opposition scoreless. Next against East High, the C footballers were not so successful and managed only a 6-6 tie. Against Arvin High and West High, the Bit offense and defense were both in high gear, scoring impressively and shutting out their opponents. Following these two victories the Bits fought to a 26-26 standoff with a tough Taft High team. In the season's finale with Delano High, the C Classmen squeaked by with an exciting 13-12 win.

Many highly-skilled individual players formed an exceptionally well-balanced 1966 Bit team. Particularly outstanding were Bobby Slaughter, the team scoring leader, and Richard Romo, who threw eight touchdown passes.

# Cross Country

The 1966 Cross Country finished third in the Southern Yosemite League behind East High and North High. The Driller harriers lost their first meet of the season, a non-league match against West High. In regular league competition BHS defeated East High, South High, and Foothill High, but lost to North High. At the SYL Meet, held at Kern County Golf Course, the Drillers finished third. Outstanding distance runners in 1966 were Allen Rude, Bill Steele, Brian Castleman, Dave Dillard and Milton Whitley.

## Wrestling

The 1967 varsity wrestling team finished with a 4-4 record in league meets for third in the standings. However, BHS wrestlers were undefeated in pre-season competition. The team suffered a tremendous loss when Steve Varner suffered a neck injury and was sidelined for most of the year. In honor of Steve, a diligent and consistent performer in past seasons, the team dedicated one of its matches to him. The most consistent performers in league play included Mark Lawrence, Karl Herrera, Richard Alvarez, and Jim Robesky. A highlight of the season was the success of Driller matmen in the many tournaments they entered. The team placed first in the Antelope Valley Tournament, third in the Madera Tournament, second in both the Bakersfield College Tournament and the Fresno State Tournament, fourth in the League Tourney, second in the SYL Divisional Tournament, and third in the NYL Valley Tournament. Outstanding in league play was Jim Robesky, champion of his weight division in each of the BC, Fresno State, League, and NYL Valley tournaments.

## Basketball

The 1966-67 Driller basketball team finished with a fine 9-3 record in league competition and a strong second place finish in the SYL standings. The varsity hoopsters overwhelmed all league opposition with the exception of the East High Blades, suffering defeats at the hands of the cross-town rival in the Bakersfield College Basketball Tournament and three times in league games. These were the only league setbacks of the season for the BHS varsity; the Drillers came closest to victory in their exciting, action-packed second game against East High, when the Blade lead was whittled down to four points late in the fourth quarter. The most impressive Driller performances of the year came in three successive winning efforts against Foothill High, North High, and South High. In league play the Drillers averaged scoring 51 points per game, while holding the opposition to an average of 46 points per contest. Cliff Strait, Steve Smith, Mark French, Willie Hysaw, and Bo Stinson comprised the nucleus of the varsity team and were the starters in most Driller tilts. Strait, Smith, and French used their height advantage to pound the backboards and provide muscle for the Driller attack; Hysaw spearheaded the fast breaks and was the team's playmaker with his speed and quick moves, while Stinson gave the needed outside threat to the Driller attack with his accurate jump shooting. Jeff Siemon, Kim Stockton, and Theron Brown came off the bench on numerous occasions to make valuable contributions to the Drillers' success in 1966-67.

The Sandabs got off to a slow start in non-league competition but started to jell just in time for league play, in which they placed second with an 8-5 record. In their most exciting game of the season, the B class team won a come-from-behind one-point triumph with three seconds remaining. Sandab scoring power was provided by Jackie Sweatt, Steve Thompson, and Steve Ontiveros. Rebounding strength was provided by Bruce Albert, John Caldwell, and Donovan Daniels, while Steve Ontiveros and Larry Powell quarterbacked the team with effective playmaking.

## C Basketball

The Bits were the most successful of all BHS basketball teams in 1966-67. Finishing first in SYL competition, the C Class team compiled a tremendous 10-2 record in league play, their two defeats came at the hands of East High and South High. Six players formed the nucleus of this winning unit; they included Curtis Nichols, Richard Romo, Bruce Kroker, Arthur Higgins, Daryl Martin, and Dennis Fahey. The Bits were one of the smallest teams in the league, but their determination, hustle, and team spirit helped make them a championship squad.

The Driller varsity baseball team was the most successful BHS varsity team in SYL competition throughout 1966-67. At one point in the season the Drillers won 13 out of 14 games. The obvious key to the BHS winning formula was an overpowering pitching staff; rarely did Driller hurlers allow more than two runs in a game. Fortunately for the opposition, Driller batsmen were not quite as awesome as the BHS pitching staff, but the offense was able to generate more than enough runs to supply many Driller victories.

The highpoint of the varsity baseball year came during Easter vacation when the Drillers won the Delano Baseball Tournament; the BHS pitchers allowed only seven hits in four victorious efforts. Ed Ontiveros singled himself out for special recognition by striking out 19 batters in one game during the Delano Tournament.

Outstanding Driller moundsmen included Ed Ontiveros, Leonard Guzman, Mark French, Jamie Henderson, and Gary Fleischauer. Tom Zeni, Steve Ontiveros, and Pat Barrett were the team's most consistent hitters. The 1967 Driller baseball team had only three seniors on the starting team—Rudy Brown, Tom Zeni, and Pat Barrett; this situation served to warn SYL teams of the BHS baseball strength in seasons to come.

## Junior Varsity

After a year's layoff, the BHS junior varsity baseball team came back to terrorize their SYL opponents. At one point during the season the Sandabs matched their varsity counterparts by winning 13 out of 14 games; this feat gave BHS undisputed first place in the SYL. Coached by Nick Graham, the team's most potent weapon proved to be their outstanding hitting ability. The jayvees played an exciting brand of baseball that depended upon their potent punch at the plate to score many impressive victories. The BHS offensive machine was powered by sluggers Jim Lackey, Harvey Hill, Joe Cornejo, Mike Erbstoesser, and Roy Grimes—all of whom hit over .300. Two of the standout pitchers for the Sandabs were Gary Watson and Ed Smith. A tight fielding defense and an adequate pitching staff were strong enough to provide several one-run victories for the BHS junior varsity.

# Frosh

Rich Romo wins the race to the bag to make the putout for the frosh.

The pick-off throw to first base is just a shade too late.

Winning games in the SYL was not easy for the Frosh baseball team of 1967, but opponents found the Drillers tough to beat also. Leading the pitching staff for the Frosh were Steve Lackey, Richard Romo, and Doug Kerhulas. Most of the team's batting strength was supplied by Steve Thompson, Vince Meagher, Steve Lackey, and Charlie Moore. Thompson and Moore had the highest batting averages on the team, while also driving in the most runs. Standout defensive performances were turned in by Curtis Wise, Robert Alvarado, and Frank Chapman. The tight Frosh defense and solid pitching held most opponents to less than two runs per game.

# Boys

# Tennis

# Girls

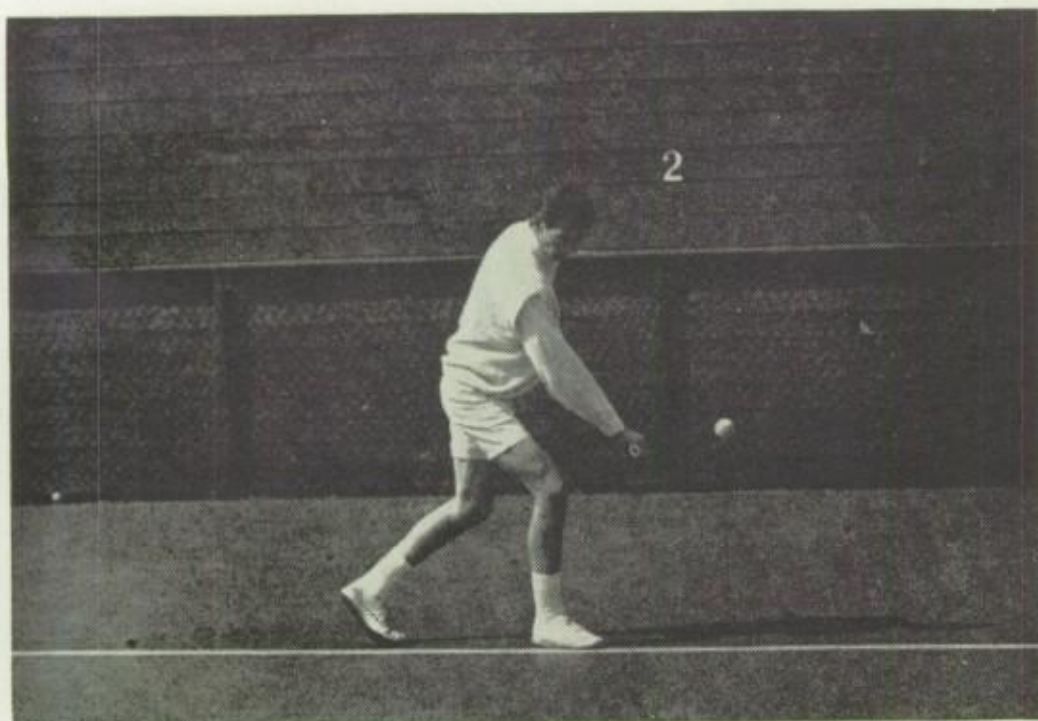

Tennis seemed to be an outstanding sport for BHS in 1967 with both the boys' and girls' teams playing well and placing high in league standings. Coached by Ray Betz, the boys overcame all competition in their first round of matches with league opponents, as well as scoring victories over several non-league schools. Through their first round the girls also scored well and won many matches, and the Driller hopes were high for winning the league championship, according to Coach Karen Young. Top members on the boys' squad included Mark Paulsen, Bill Glover, Kneif Lovelace, Roger Almklov, and Jim Armstrong, while Gloria Pananides, Chris Steinmeyer, Kathy Langston, and Kathy Biggar led the girls' team through a successful season.

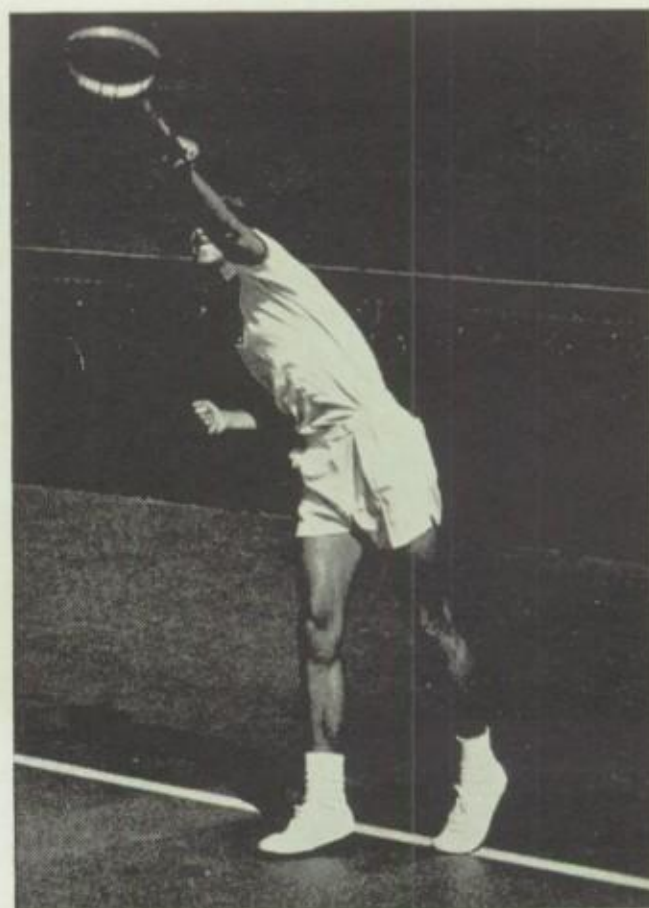

FRONT ROW: K. Fong, J. Langston, K. Langston, K. Biggar, K. Cook, S. Bruschi, G. Pfister.

## Boy's Swimming

Under Coach David Slagle the 1967 Boys Swim Team had a mediocre record in SYL competition. The Driller team was severely handicapped because of the loss of many outstanding seniors from the 1966 squad. The outstanding varsity swimmers of 1967 included Eric Webster, Tom Lingo, and Stan Lawrence; leading the B squad were Willie Wachob and Eric Buscher. Driller swimmers competed in such events as breaststroke, backstroke, butterfly, and free style. Through diligent practice of up to two hours per night, team members were able to build up their swimming speed and water endurance.

Swimmers are all wet.

# Girl's Swimming

"This year's squad was the smallest, yet most talented I've had in many years," stated Coach Marian Locker in reference to the 1967 BHS girls swim team. Two record breakers on the 1967 team were Barbara Finnegan in the 50 yard free style event and Lillian Pon fastest breaststroke swimmer for the 50 yard distance. Outstanding senior swimmers included Brenda Denio, Cathy Cooper, Sandra Evenson and Pat Hansen. Possibilities of future great girls' swim teams were promised by the exceptional performances of junior Lillian Pon, sophomore Barbara Finnegan, and freshman Kathy Polson.

Once again in 1967 the BHS track and field team under the watchful eyes of coaches Glenn Beerline and Art Dalzell led the SYL and out-scored all their opponents. The outstanding success of this year's Driller team came primarily because of its tremendous depth.

The sprint squad was hurt by the loss of several seniors, but John Batsch, Wilson MacKey, and Nolan Richardson came through to score many sprint victories. The leading Driller hurdlers included Alfred Sikes, Don Ford, Milton Whitley, and John Broussard. Some of the strongest distance runners in many years for BHS were part of the 1967 squad: they included Bill Stelle, Brian Castleman, and Allen Rude.

Many Drillers scored impressive victories in field events. Willie Hysaw set and broke his record in the triple jump, as well as being a top broad jumper. Strong in the shot putting event were Bob Simmons, Stanley Williams, and Clifford Strait. Bill Hoffman let the BHS pole Vaulters, while the top discus throwers included Calvin Williams, Frank Pina, and Don Wiggins. Topping off the field team were high jumpers Don Hausen and Bobby Morris.

## Golf

The 1967 Driller Golf Team had little difficulty defeating most of their SYL opponents in tournament competition. Rick Ewing, Richard Bruschi, Larkin Mackay, and Ray Vercammen were among those members of the team who played consistently well. The team practiced diligently and participated in tournaments at Stockdale Country Club and other local courses.

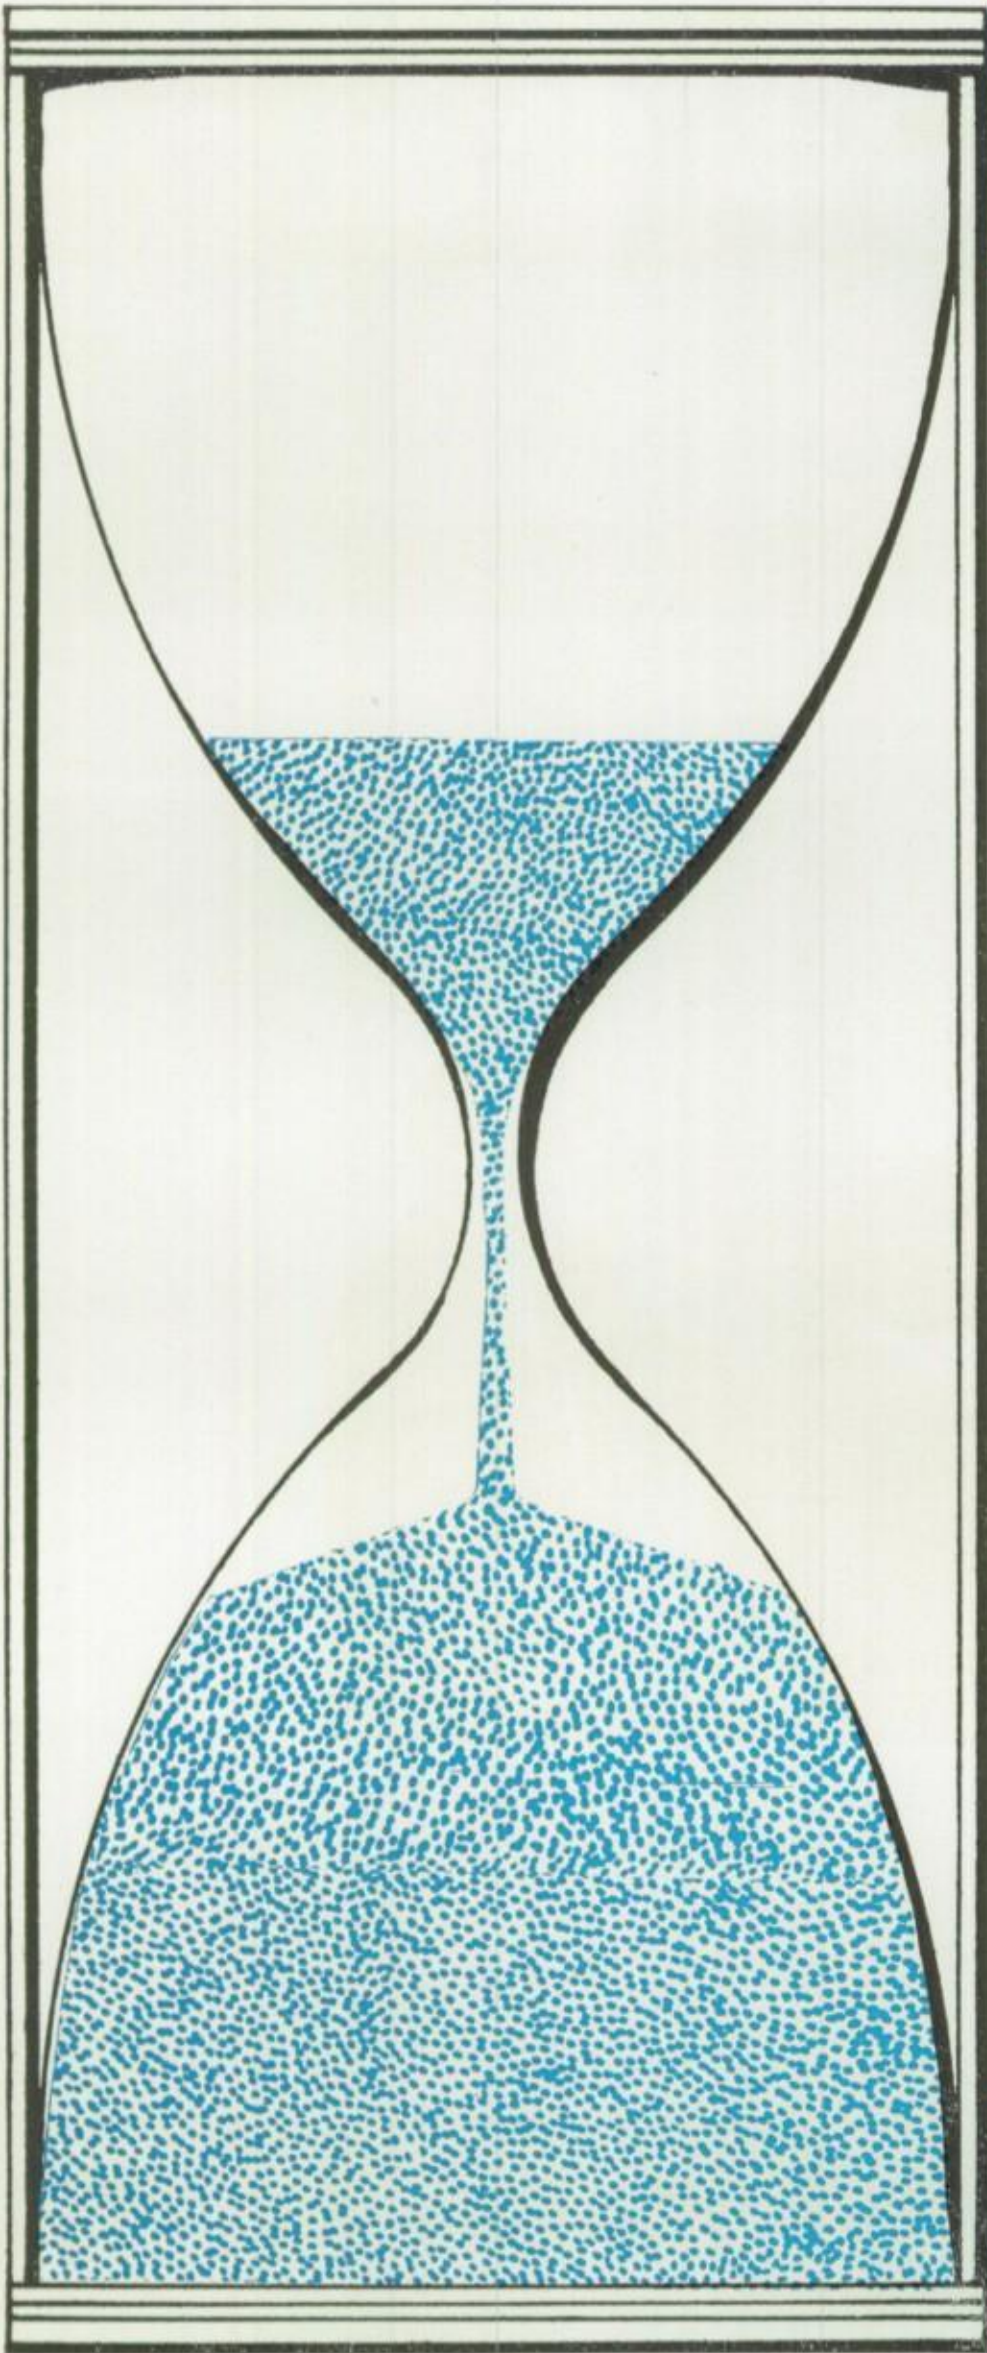

On the links, BHS golfers succeeded in putting many little white balls in little round holes.

## *Board of Trustees*

This building houses all the offices of the Kern County Joint  
Union High School District.

From left to right: Mr. M. G. Bultman, Clerk; Mr. A. S. Gould, President; Mr. W. C. Myers, Mr. M. Raney, Mr. D. E. Ruggenburt.

This year the five members of the Board of Trustees continued to carry out the operations of the Kern County Joint Union High School District. Under the leadership of Superintendent of Schools, Theron McCuen, the board set the policies for the operation of schools, approved the budget, hired new personnel, appropriated funds for textbooks, approved new buildings and courses, and began planning for new high schools in the district. Among board actions was an appropriation from the general fund for the opening of a new Bakersfield continuation school. Further funds were allocated for re-establishing behind-the-wheel driver training for Kern County students. Money was also appropriated from federal funds for textbooks, counselors, and special teachers concerned with the ESEA program in Kern County; the aim of the program was to improve the educational and cultural backgrounds for economically and socially deprived youth.

Mr. A. S. Gould  
President, Board of Trustees

Dr. J. S. Wallace

To Students of Bakersfield High School:

Your **Oracle** staff this year, very properly, has selected the theme of "Time: past, present, and future," around which the yearbook is organized. This theme is particularly apt since this year marks the seventy-fifth school year in the history of Bakersfield High School—it is our diamond jubilee. During this seventy-five years thousands of graduates have taken advantage of the educational opportunities of the school and have gone out prepared to make a substantial contribution to the life of this community and others and to the nation and the world. I know that this year's senior class will add significantly to the contributions of our past graduates. It is also our expectation that members of each of the other three classes will have made definite progress toward this same goal.

Throughout the year we have taken the opportunity to pay tribute to the past accomplishments of graduates of the school, and we have called to your attention as students, your present opportunities here. Looking toward the future may we wish for our graduating class every success, and suggest that under-graduates continue to prepare themselves for the future. As the years go by your **Oracle** will become more valuable as a tangible remembrance of the happy days you spent on the Bakersfield High School campus.

Best Wishes.

J. S. Wallace, Principal

## *Vice Principals*

Mr. Herb Martin

Each of the three assistant principals served the students and school in varied duties. Student Personnel Services were taken care of by Mr. Carl Berra, and Administrative Services were supervised by Mr. Herb Martin. Mr. Don Soelberg was curriculum director.

With funds available for the ESEA program it was possible to purchase new textbooks and equipment and to reduce class sizes. Also, for this program a new type of counseling was set up on a coeducational basis which was intended to give special help to BHS students.

# English

The English Department aimed to improve the communicative skills of reading, writing, speaking, and listening and to develop appreciation for the spoken and written courses of the English curriculum. Opportunities were available in drama, public speaking, forensics, journalism, radio production, reading improvement, business English, yearbook production, and creative writing.

The Foreign Language Department offers three years of college preparatory work in French, German, and Spanish. Through the Advanced Placement Program, capable students may take a fourth year at Bakersfield College. Courses are designed to provide a knowledge of basic language structure, and to develop facility in reading and fluency in speaking.

Teachers strive to give students a better understanding of the present to enable them to cope with the future.

Foreign language laboratories are now used to help students learn more effectively.

# Social Studies

"A certain amount of knowledge of the past better enables one to solve problems of the present and future." This philosophy was used in teaching history and other courses in the Social Studies Department. This year new classes were added to the Social Studies Department in cooperation with the ESEA program.

Despite the valiant efforts of Mr. Otterness and Mr. Meek, a Driller on donkey-back takes a shot at the basket.

Trouble is their business.

Some of the past is still present in the BHS math department.

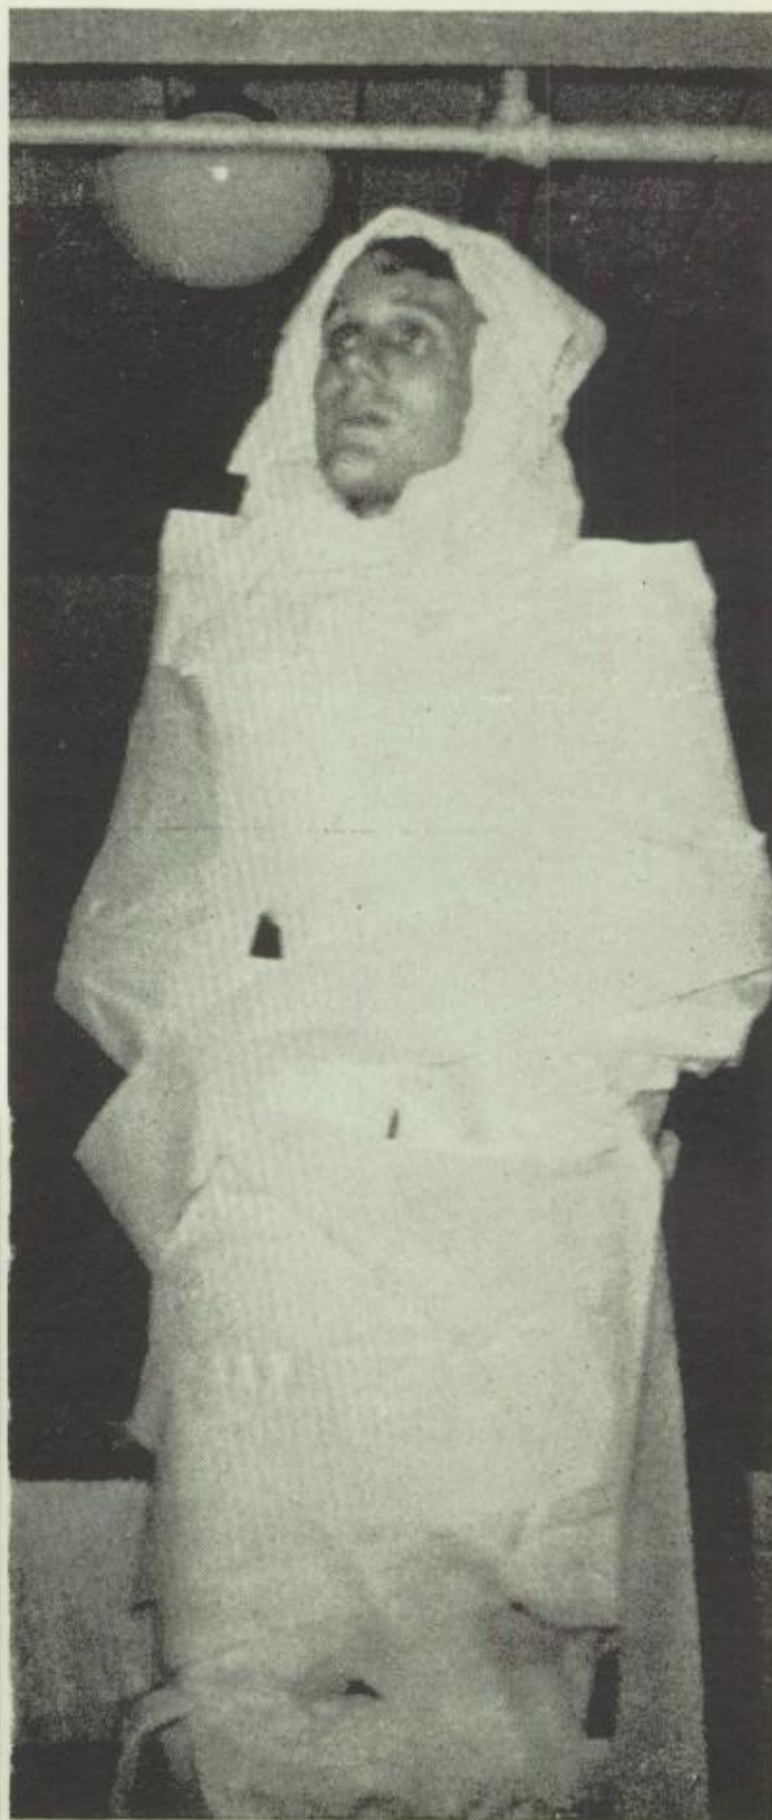

This beats Metrecal anyday!

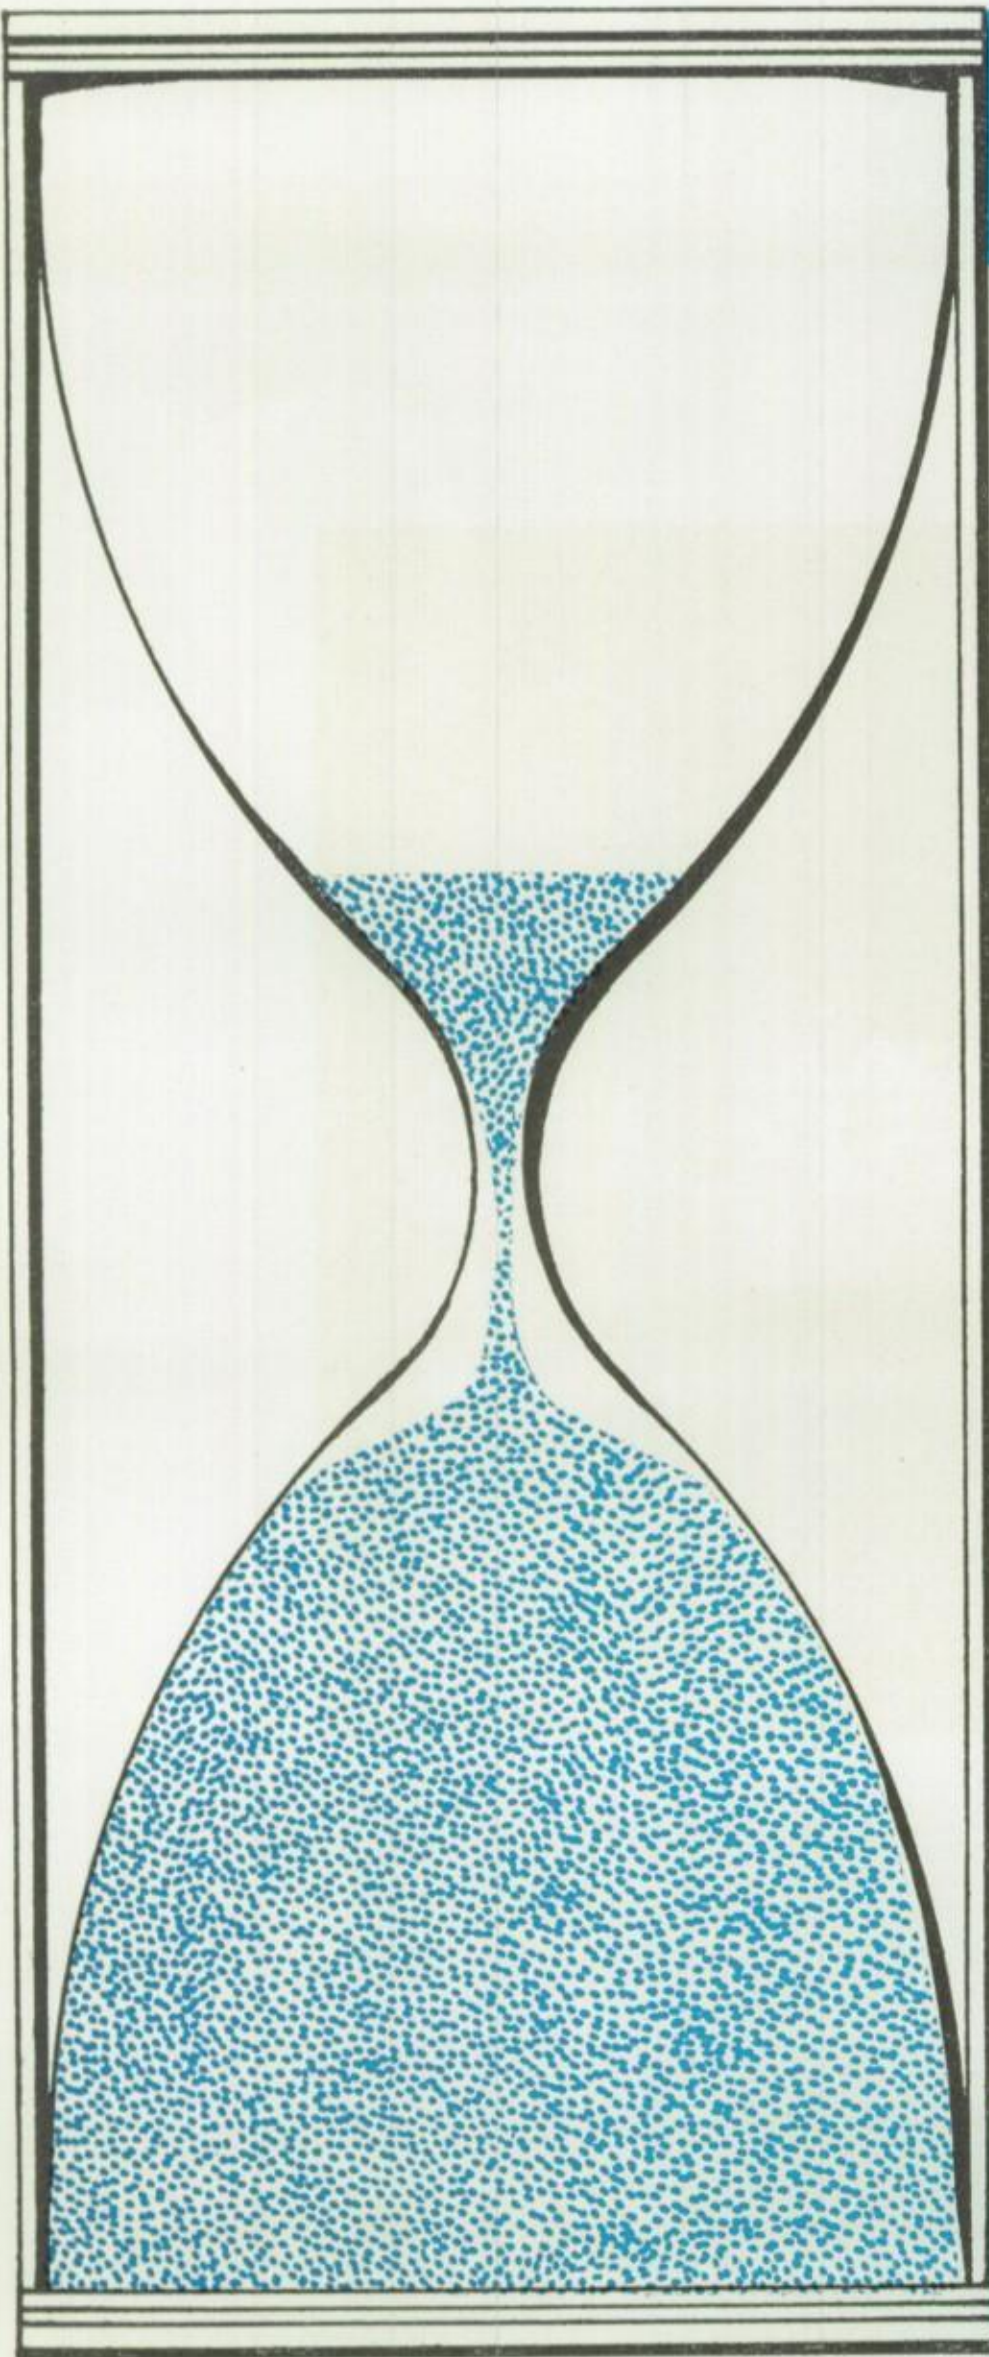

"O.K., back to the dance floor with the other couples!"

Mr. Hough seemed to be all wrapped up in his work.
